BLEACH 20

DESCRIPTION

BLEACH 20 is a highly soluble dry chlorine bleach. Highest active for safe laundering.

PERFORMANCE

Powerful yet safe. Reactivates the carry-over soap in the bleach operation and also ties up any iron in the water, thus preventing fabric yellowing.

ADVANTAGES

- Double Action – bleaches and at the same time strips out lime and acid soaps to restore fabrics to sparkling whiteness.
- Uniform rate of chlorine release produces effective stain removal but does not tender fabrics.
- No carry-over in the Sour Bath.
- Works effectively in water temperature as low as 110°F.
- Unsurpassed for safety and effectiveness.
- Ideal for use in automatic feeding equipment.

DIRECTIONS

Light to Medium Soil

Use 2 oz. per 100 lbs. of wash at 150°F.

Heavy Soil

Use 4 oz. per 100 lbs. of wash at 150°F.

Rejected Stain and Mildewed Linen

Use 8 oz. to 1 lb. per 100 lbs. of wash at 150°F.
Run the bleach bath for at least 15 minutes.
