JOHN-BOY™

Toilet Bowl and Urinal Cleaner

DESCRIPTION

JOHN-BOY™ is a concentrated crystal product for the cleaning of toilet bowls and urinals. The product, without strong acids, effectively removes lime, rust and other water minerals while not corroding chrome and metal trim, or harming carpets, clothing, or skin.

Can also be used on the seat and cover and in the sink.

DIRECTIONS

Put one scoop of **JOHN-BOY™** into bowl. Allow to set for 1 - 2 minutes. Agitate with bowl brush or mop. Flush toilet. Bowl will be clean and bright. Also can be used to clean seat and metal fittings.

CAUTION

Keep out of reach of children. If splashed on skin, wash with water. Anyone who is highly allergic should wear rubber gloves. If taken internally, give one ounce of milk of magnesia in a large quantity of water. **DO NOT INDUCE VOMITING.** Call a physician. For industrial use only.

PACKAGING

JOHN-BOY™ is packaged in 2 pound tubs, 12 to a case.
