NU ORTH

DESCRIPTION

NU ORTH has the highest alkalinity of all silicated builders.

PERFORMANCE

For heavy duty soil and stain removal, **NU ORTH** assures maximum efficiency because of its strong affinity for animal and vegetable fats and oils. Highly recommended for heavily soiled and stained linen supply classifications and removing tough soils from polyester cottons.

ADVANTAGES

- Excellent saponifying power
- Anhydrous - Contains no water
- Highly soluble
- Saves on soap and bleach consumption
- Fast rinsing
- Buffered, for fabric safety

DIRECTIONS

Add dry to the washer or in solution

Light Soil	4 - 8 oz. per 100 lbs. of wash
Medium Soil	12 oz. to 1 lb. per 100 lbs. of wash
Heavy Soil	1 - 2 lbs. per 100 lbs. of wash
Extra Heavy Soil	2 - 3 lbs. per 100 lbs. of wash
