TABLE TALK

DESCRIPTION

TABLE TALK is made from a carefully selected blend of anionic and non-ionic biodegradable synthetic detergents, and fluorescent brighteners. Contains special solvents which do not affect biodegradability. **TABLE TALK** has application on tough, oily restaurant-type stains.

PERFORMANCE

TABLE TALK is a unique detergent developed for washing durable press, polyesters, polyester-cotton and other hard-to-clean fabrics. It effectively removes greasy soils, without adversely affecting fabric crease resistance qualities.

ADVANTAGES

- Excellent grease and soil suspending properties, even on tough vegetable-type oil stains.
- Superior wetting action.
- Safe to use on all types of fabrics.
- Liquid - instantly goes to work.
- Fast rinsing.
- Equally effective in hard or soft water even at low temperatures.

DIRECTIONS

Shirt Formulas

Use 4-6 oz. per 100 lbs. of wash in the Break operation along with the usual washing supplies.

Linen and Industrial with 2-3 Garments

Use 4-8 oz. per 100 lbs. of wash in the Break operation along with 2-3 lbs. of alkali, detergent.
